We can help you, if your partner

- hits, pushes, kicks,
- verbally abuses or intimidates you.
- Are you being stalked, controlled, or locked up?
- Are you coerced to stay away from family, friends
- or loved ones?
- Are forced to do things against your will?

Violence does not just stop. In most cases, the situation gets even worse. You CAN do something to protect yourself.

We are here for you!

We keep everything confidential!

We listen and advise.

Please call us, or let the police know how we can reach you.
